Dear Dr. Rivers,

Regarding: Update on Service Agreement Implementation

I am writing to provide an update on the implementation of our service agreement dated January 15, 2026. Please find attached the latest progress report detailing the completion of the development phase.

We appreciate your continued partnership and are committed to ensuring the machine learning categorization system meets your specifications. If you have any questions or require additional information, please do not hesitate to contact me directly.

Sincerely,

Alex Chen
