

MEMORANDUM OF LAW IN SUPPORT OF MOTION FOR SUMMARY JUDGMENT

I. INTRODUCTION

This memorandum sets forth the legal arguments supporting Plaintiff Nexus Technologies Inc.'s motion for summary judgment against Defendant Quantum Dynamics LLC for breach of contract.

II. STATEMENT OF FACTS

On January 15, 2026, the parties entered into a service agreement for software development services valued at \$45,000.00. Defendant failed to pay the final installment despite completion of services.

III. ARGUMENT

A. Breach of Contract

Under Tech State Contract Law § 101, a party is liable for breach if it fails to perform its obligations. Here, Defendant's non-payment constitutes a clear breach. See Precedent Case: Fictional v. Imaginary, 2025 TS 123 (holding that failure to pay invoices breaches agreement).

B. No Defenses Available

Defendant has not raised any valid defenses, such as force majeure. Statute of Frauds is satisfied by the written agreement.

C. Damages

Plaintiff is entitled to compensatory damages of \$45,000.00, as calculated under the agreement's terms.

IV. CONCLUSION

For the foregoing reasons, the Court should grant summary judgment.
